Width:

0.500 inches

Design Type:

General purpose distance measuring

Measuring Capacity:

Feet10

Tape Smallest Graduation Unit:

1/32 in. 1st 12 in. Upper edge and 1/16 in. Lower edge and balance of upper edge

Rule Type Characteristic:

Not included

Marking Type:

Recessed

Special Features:

Black markings on chrome white surface

Material:

Steel

Material:

Steel

Specification Or Standard:

5 type and 1 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T299-e
