Body Type:

Hollow

Accessory Components And Quantity:

1 line

Weight:

6.000 ounces

Err Default:

Err default

Top Removability:

Removable

Top Adjustability:

Adjustable

Point Hardness Designation:

Hardened

Point Removability:

Nonremovable

Material:

Steel

Material:

Steel

Style Designator:

Axial cavity cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T299-c
