End Application:

Tf30 aircraft engine afterburner nozzle control aa-j3

Bearing Type:

Plain

Cushioned Movement Feature:

Not included

Product Name:

Pump turn-on switch dial indicator and support assembly

Reference Data And Literature:

To 6j3-2-27-14

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T299-z
