Criticality	Code	Justification:	
•		• • • • • • • • • • • • • • • • • • • •	

Zzzy

General Description:

Cres ams 5643, 17-4, finish cond a; age harden rc40-47

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
