Overall Height:

0.625 inches

Body Outside Diameter:

4.625 inches

Body Inside Diameter:

1.000 inches

Criticality Code Justification:

Zzzy

Material:

Steel

Surface Treatment:

Zinc

Style Designator:

Plain

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A15500
