**Overall Height:**

0.625 inches

**Body Outside Diameter:**

4.625 inches

**Body Inside Diameter:**

1.000 inches

**Criticality Code Justification:**

Zzzy

**Material:**

Steel

**Surface Treatment:**

Zinc

**Style Designator:**

Plain

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A15500
