End Application:

F100-pw-200/220/220e

Measuring Head Gaging Length:

26.860 inches

Product Name:

Fixture, set master lpt case

Special Features:

Used to preset pwa72621 gage to zero prior to each use, length 34.0 in, width 6.0 in, height 4.0 in, calibrate in accordance with t.O.
33k6-4-889-1 every 18 months

Supplementary Features:

Serd number 9383

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T299-g
