Point Length:

0.250 millimeters

Thread Characteristics:

0.002mm

Contact Point Style Designator:

Needle

Contact Point Material:

Any acceptable

Special Features:

16mm lcd readout; 110v 50/60hz or battery backup; probe and display separated by a distance of 1.8 meters; cable is hard wired to the probe

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T299-z
