Hydromechanical control unit (hmu) used on turbo shaft engines, ge t700-ge-700/400/401

Product Name:

Indicator, ps3 roller rate

Functional Description:

Used for servicing hydromechanical control unit (hmu) on seahawk and blackhawk aircraft

Reference Data And Literature:

Nap 7167.001-3m, dmwr55-2915-340

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T299-z
