Adjustability:

Adjustable

Design Type:

Single face

Overall Outside Dimensions:

5.000 in. By 1 in. Base

Adjustable Characteristics:

Deg of pitch

Vial Quantity:

1 level

Vial Graduations:

Included level

Vial Graduation Value:

One div of graduation equals 0.29 thousandths in. Per ft

Vial Surface Finish:

Ground level

Vial Type:

Level

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T370-a
