End Application:

1005-00-690-2790

Design Type:

Single end

Gage Type:

Not go

Gaging Member Outside Diameter:

0.2000 inches

Air Groove Feature:

Not included

Special Features:

Material body and handle steel; body material hardness rating rockwellc 55-60; not go design type; gaging member Od 0.200 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T303-b
