## NSN 5220-01-156-3925

Profile Gage - Page 1 of 1

Fiig: T303-b

View Online at https://aerobasegroup.com/nsn/5220-01-156-3925

End Application:
F-100-pw-100/200
Special Features:
Gage, uniball radial wear; matl steel frame w/dial indicator, Ig 5.19 in., width 1.0 in., height 3.25 in.; measures radial play in uniball bearings
with 0.250 in. Dia. I.D. By holding the outer race securley and moving the ball radially, measuring the movement on a dial indicator
Supplementary Features:
Serd 4494
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
