End Application:

F100 pw229

Adjustability:

Adjustable

Overall Outside Dimensions:

6 in. Lg x 5 in. W x 5 in. H

Adjustable Characteristics:

Deg of pitch

Special Features:

Used to preset the table lever with the servo valve adjustment for flattable condition

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T370-a
