**End Application:**

1661-01-227-6608

**Design Type:**

Single end

**Gage Type:**

Combination go not go

**Gaging Member Outside Diameter:**

2.0000 inches

**Air Groove Feature:**

Not included

**Special Features:**

125 microinches, machines surface roughness

**Length:**

2.380 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T303-b
