End Application:

1661-01-227-6608

Design Type:

Single end

Gage Type:

Combination go not go

Gaging Member Outside Diameter:

2.0000 inches

Air Groove Feature:

Not included

Special Features:

125 microinches, machines surface roughness

Length:

2.380 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T303-b
