Special Features:

0granite 80c, model 20.12.10 coordinate measuring machine: a precise, 3 orthogonal axes, dimensional measuring system capable of inspecting complexgeometrical configurations 6 ft lg; x axis travel: 80 in., y axis travel 48 in., z axis: 114.8 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T303-b
