Diameter:

6.000 inches

Thickness:

2.000 inches

End Application:

4940-01-551-2884, maintenance facility, transportable

Case:

Not provided

Design Type:

Working single

Product Name:

Toolmakers flat

Special Features:

Has round pink granite plate; top and bottom to be flat and parallel; approx wieght is 15 lbs; tolerance is 0.000010 inches flatness and parallelism

Material:

Crystal granite

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T303-j
