End Application:

3655-01-556-1083, n2 - nitrogen generating system

Connection Quantity:

2

Connection Type:

Internal

Connection Location:

Both sides

Product Name:

Regulator with gauge

Special Features:

Range 5-30 psi; nha air purge regulator assembly, 800-570

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
