End Application:
3655-01-556-1083, n2 - nitrogen generating system
Connection Quantity:
2
Connection Type:
Internal
Connection Location:
Both sides
Product Name:
Regulator with gauge
Special Features:
Range 5-30 psi; nha air purge regulator assembly, 800-570
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T179-b
