Thread	Class
meau	UIASS .

2a

Thread Direction:

Right-hand

Thread Length:

0.312 inches

Fastener Length:

0.562 inches

Head Style:

Knurled no. 1

Head Diameter:

0.875 inches

Head Height:

0.312 inches

Point Style:

Flat

Thread Diameter:

0.500 inches

Thready Qty Per Inch (tpi):

20

Material:

Steel comp 303

Material Specification:

Qq-s-763 federal specification single material response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No
