Thread Direction:

Right-hand

Thread Length:

Between 0.520 inches and 0.720 inches

Fastener Length:

Between 1.680 inches and 1.720 inches

Head Style:

Knurled no. 4

Head Diameter:

0.620 inches

Head Height:

0.500 inches

Point Style:

Cone

Product Name:

Navy special project

Material:

Steel comp 303

Material Specification:

Astm a582, cond a assn standard single material response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
