Thread Direction:

Right-hand

Thread Length:

0.470 inches

Fastener Length:

2.340 inches

Head Style:

Knurled no. 4

Head Diameter:

1.250 inches

Head Height:

0.343 inches

Point Length:

0.120 inches

Point Style:

Flat

Thread Diameter:

0.250 inches

Nonstandard Thread Pitch Diameter:

+0.2088/+0.2108 inches

Thready Qty Per Inch (tpi):

20

Point Chamfer Angle:

120.0 degrees

Material:

Steel comp 303 threads

Material Specification:

Qq-s-763 cond a federal specification single material response threads

Surface Treatment:

Lacquer acrylic

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
