Thread Direction:

Right-hand

Thread Length:

Between 0.400 inches and 0.500 inches

Fastener Length:

0.500 inches

Head Style:

Hexagon

Thread Diameter:

0.250 inches

Thready Qty Per Inch (tpi):

20

Material:

Steel comp 304

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Zinc or phosphate

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
