**Thread Length:**

0.750 inches

**Fastener Length:**

0.750 inches

**Criticality Code Justification:**

Zzzy

**Screw Material:**

Steel comp 316

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A500d0
