Thread Length:

0.750 inches

Fastener Length:

0.750 inches

Criticality Code Justification:

Zzzy

Screw Material:

Steel comp 316

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500d0
