**Criticality Code Justification:**

Zzzw

**Material:**

Stainless steel

**Material Specification:**

Ms90728 military standard single material response

**Specification Data:**

81349-ms90728 government standard

**Departure From Cited Document:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A003b0
