Criticality Code Justification:

Zzzw

Material:

Stainless steel

Material Specification:

Ms90728 military standard single material response

Specification Data:

81349-ms90728 government standard

Departure From Cited Document:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
