Criticality Code Justification:
Zzzy
Special Features:
Screw cpa medium knurl slotted; length 1.81 in.; cap dia. 0.750in.; screw dia. 0.281 in.; threads 3/8-16 unc 2a, thread length 0.50 in
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
