**Criticality Code Justification:**

Zzzy

**Special Features:**

Screw size: 0.250, thread: 20, fastener length: 0.875 inch

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0
