Thread Direction:

Right-hand

Thread Length:

0.375 inches

Fastener Length:

0.375 inches

Head Style:

Hexagon

Thread Diameter:

4.000 inches

Thready Qty Per Inch (tpi):

16

Min. Tensile Strength (psi):

70000 pounds per square inch

Material:

Stainless steel

Material Specification:

18-8, stb000 mfr ref single material response

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
