Thread Length:

1.000 inches

End Application:

P/n is d319564

Product Name:

Capscrew, hex head drilled

Special Features:

Altered item drawing - make from p/n ms35307-360; nha p/n is 6659940

Material:

Steel

Material Specification:

Ms35307 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0

Mil-std (military Standard):

spec.
