Thread Direction:

Right-hand

Head Style:

Pan

Thread Diameter:

4.0 millimeters

Product Name:

Screw, machine-metric

Screw Material:

Steel property class 9.8

Supplementary Features:

Typeicross recess, made of corrosion resistant steel per astmf738.Cleaned, descaled, and passivated i.A.W. Astm a380

Specification Data:

80204 -b18.6.7magavgf1 6 air combat professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500d0
