Overall Width:

0.594 inches

Overall Diameter:

0.437 inches

Product Name:

Screw, washer head, close tolerance, long thread, 95 ksi fsu

Special Features:

Material: corrosion resistant steel a286 per the chemistry of ams5731, ams5732, ams5737, ams5853

Material:

Stainless steel

Supplementary Features:

Ribbed cruciform recess per nas7100

Thread Size And Series/type Designator:

.1900-32 unjf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
