Thread Direction:

Right-hand

Thread Length:

0.170 inches

Fastener Length:

0.460 inches

Internal Drive Style:

Cross recess type ii

Material:

Stainless steel

Material Specification:

430stainlesssteel assn standard 1st material response

Surface Treatment:

Passivate

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
