Fastener Length:

3.500 inches

Head Style:

Hexagon

End Application:

4940-01-445-0086

Nonmachine Thread Style:

Gimlet point (type a, ab or ba)

Nonmachine Thread Diameter:

0.375 inches

Special Features:

Cage 05047 american society of mechanical engineers, 2 park ave fl 6 new york ny 10016-5611; ph. 800-843-2763: cage is a specification and holds the design control.

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
