Thread Direction:

Right-hand

End Application:

F/a-22 raptor

Product Name:

Captive screw

Material:

Stainless steel

Material Specification:

Ams5525 assn standard single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Qq-p-35 assn standard single treatment response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
