Panel Screw Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5305-01-509-6247

Thread Direction:
Right-hand
End Application:
F/a-22 raptor
Product Name:
Captive screw
Material:
Stainless steel
Material Specification:
Ams5525 assn standard single material response
Surface Treatment:
Passivate
Surface Treatment Specification:
Qq-p-35 assn standard single treatment response
Thread Series Designator:
Unf
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A003b0
