Hexagon Head Cap Screw - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5305-01-521-5723

Thread Length:
25.0 millimeters
End Application:
2320-01-447-6345
Product Name:
Screw, cap, socket head
Special Features:
Material constructed from carbon steel or alloy steel, property cass 12.9 iaw iso 898 part 1, finish is chromium/zinc corrosion protective
coating iaw astm f1136, chroium zinc finish applied to base metal, finish top coat color matte black
Color:
Olive drab
Surface Treatment:
Chromate zinc
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
А003b0
Special Features:  Material constructed from carbon steel or alloy steel, property cass 12.9 iaw iso 898 part 1, finish is chromium/zinc corrosion protective coating iaw astm f1136, chroium zinc finish applied to base metal, finish top coat color matte black  Color:  Olive drab  Surface Treatment:  Chromate zinc  Shelf Life:  N/a  Unit Of Measure:   Demilitarization:  No  Fiig:
