Head Style:

Fillister countersunk

Internal Drive Style:

Hexagon

End Application:

HIMA-RS-,RS-V,MK

Thread Diameter:

20.0 millimeters

Product Name:

Hex. Socket countersunk head cap screw

Special Features:

Nha is extension assembly, p/n 4kk653; m8 type thread; specific treatment is dacromet 500b black; screw is a property class 10.9

Color:

Black

Surface Treatment:

Paint

Thread Series Designator:

Iso m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
