Thread Direction:

Right-hand

Thread Length:

0.375 inches

Fastener Length:

0.375 inches

Head Style:

Flat countersunk undercut

Head Diameter:

0.477 inches

Head Height:

0.107 inches

Internal Drive Style:

Cross recess type 1

End Application:

TACT-IC-ALW-ATER

Thread Diameter:

0.250 inches

Thready Qty Per Inch (tpi):

20

Countersink Angle:

82.0 degrees

Product Name:

Flat head phillips machine screw

Screw Material:

Steel

Screw Surface Treatment:

Zinc

Special Features:

Coarse thread flat head phillips machine screw

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500d0
