**End Application:**

Firing valve assembly

**Criticality Code Justification:**

Zzzy

**Product Name:**

(drawing) hex cap screw

**Reference Number Differentiating Characteristics:**

Material controlled iaw navsea 0948-lp-045-7010 material control standard for level 1 items

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0
