End Application:

Manifold 6000psi; manifold, quiet air reducing 6000 scfm; manifold, pressure, reducing

Criticality Code Justification:

Zzzy

Product Name:

(navy) capscrew; (drawing) soc. Hd. Cap screw self lock

Reference Number Differentiating Characteristics:

Material controlled iaw navsea 0948-lp-045-7010 material control standard for level 1 items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
