#### **End Application:**

Items with nuclear applications; valve, rel. 4.0ips inlet 6.0in outlet 675-740psi

# **Criticality Code Justification:**

Zzzy

# **Product Name:**

Screw adjust

#### **Reference Number Differentiating Characteristics:**

Material controlled iaw navsea 0948-lp-045-7010 material control standard for level 1 items

#### Shelf Life:

N/a

# Unit Of Measure:

--

### Demilitarization:

No
