Thread Length:

0.500 inches

Fastener Length:

0.500 inches

End Application:

Mk38 mod2 common bulk item list

Product Name:

Screw, skt hd cap

Special Features:

Thread series (unc class 3 special). diameter (0.164) (size: 8). length (0.500) (size: 1/2). Cold worked-austenitic stainless steel) sa 316 (uns s31600). Passivation treatments for corrosion-resistant steel, type vi.

Material:

Steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
