Fastener Length:

1.000 inches

End Application:

Mk38 mod2 common bulk item list

Product Name:

Screw, hex. Skt cap

Special Features:

Thread series (unrc). diameter (0.164). length (1.000). Cold worked-austenitic stainless steel) sa 316 (uns s31600). Passivation treatments for coorrosion-resistant steel, type vi).

Material:

Steel

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
