**Thread Length:**

24.000 inches

**End Application:**

Electronic warfare systems common to special electronics aircraft

**Criticality Code Justification:**

Agav

**Product Name:**

Screw, captive, 10-24 unc, breech

**Material:**

Steel

**Surface Treatment:**

Passivate

**Surface Treatment Specification:**

Qq-p-35. Type ii federal specification single treatment response

**Thread Series Designator:**

Unc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0
