Thread Length:

24.000 inches

End Application:

Electronic warfare systems common to special electronics aircraft

Criticality Code Justification:

Agav

Product Name:

Screw, captive, 10-24 unc, breech

Material:

Steel

Surface Treatment:

Passivate

Surface Treatment Specification:

Qq-p-35. Type ii federal specification single treatment response

Thread Series Designator:

Unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A003b0
