**Thread Direction:**

Right-hand

**Thread Length:**

1.000 inches

**Head Style:**

Hexagon

**End Application:**

7010-01-513-6382 mk2987/v, installation and equipment kit, data processing

**Min. Tensile Strength (psi):**

80000 pounds per square inch

**Hardness Rating:**

80.0 rockwell b

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A003b0
