Head Style:

Hexagon

Head Height:

0.171 inches

Width Between Flats:

0.437 inches

End Application:

5980-01-558-1080; electro-optics maintenance shop set

Hardness Rating:

70.0 rockwell b

Product Name:

Hex head lag screw

Special Features:

Thread style: for wood

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A003b0
