**Head Style:**

Pan

**Head Diameter:**

0.373 inches

**Head Height:**

0.133 inches

**Internal Drive Style:**

Cross recess type ii

**End Application:**

2355-00-529-2246 mine resistance vehicle

**Product Name:**

Tap screw

**Special Features:**

Drill size is no.17, fully threaded, 410 stainless steel, hole size required varies according to material thickness you are fastening

**Material:**

Steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A003b0
